

Countries and Nationalities Instructions:

1. Cut the cards.
2. One student picks up a card and describes the country by using the information below the line. Example: The capital is Rome. It is in Europe. The currency is Euro. They are famous for pizza and pasta.
3. The student who guesses the country correctly should then give the nationality. When both are correct the student wins the card.
4. For online use copy and paste the cards into the chat and send directly to individual students. If this isn't possible, email the students some cards.
5. The student with the most cards at the end of the game wins.
