2. Read the text and answer the questions.

Hi! My name is Rose, and I want to tell you about my family.

My grandfather's name is Peter, and my grandmother's name is Mary. They are very nice. Grandfather Peter likes to grow vegetables and flowers in the garden. Grandmother Mary loves baking cakes. She dislikes watching movies, and she hates going to the cinema.

My mother's name is Alice, and my father's name is Drew. My mother loves to cook. My father likes reading books, especially fantasy books. He dislikes cleaning, and he hates going to the gym.

I have one brother. His name is Dani. My brother Dani is 14 years old. He's really funny, and we always have fun together. He likes playing football and video games. He dislikes homework, and he hates cleaning his room.

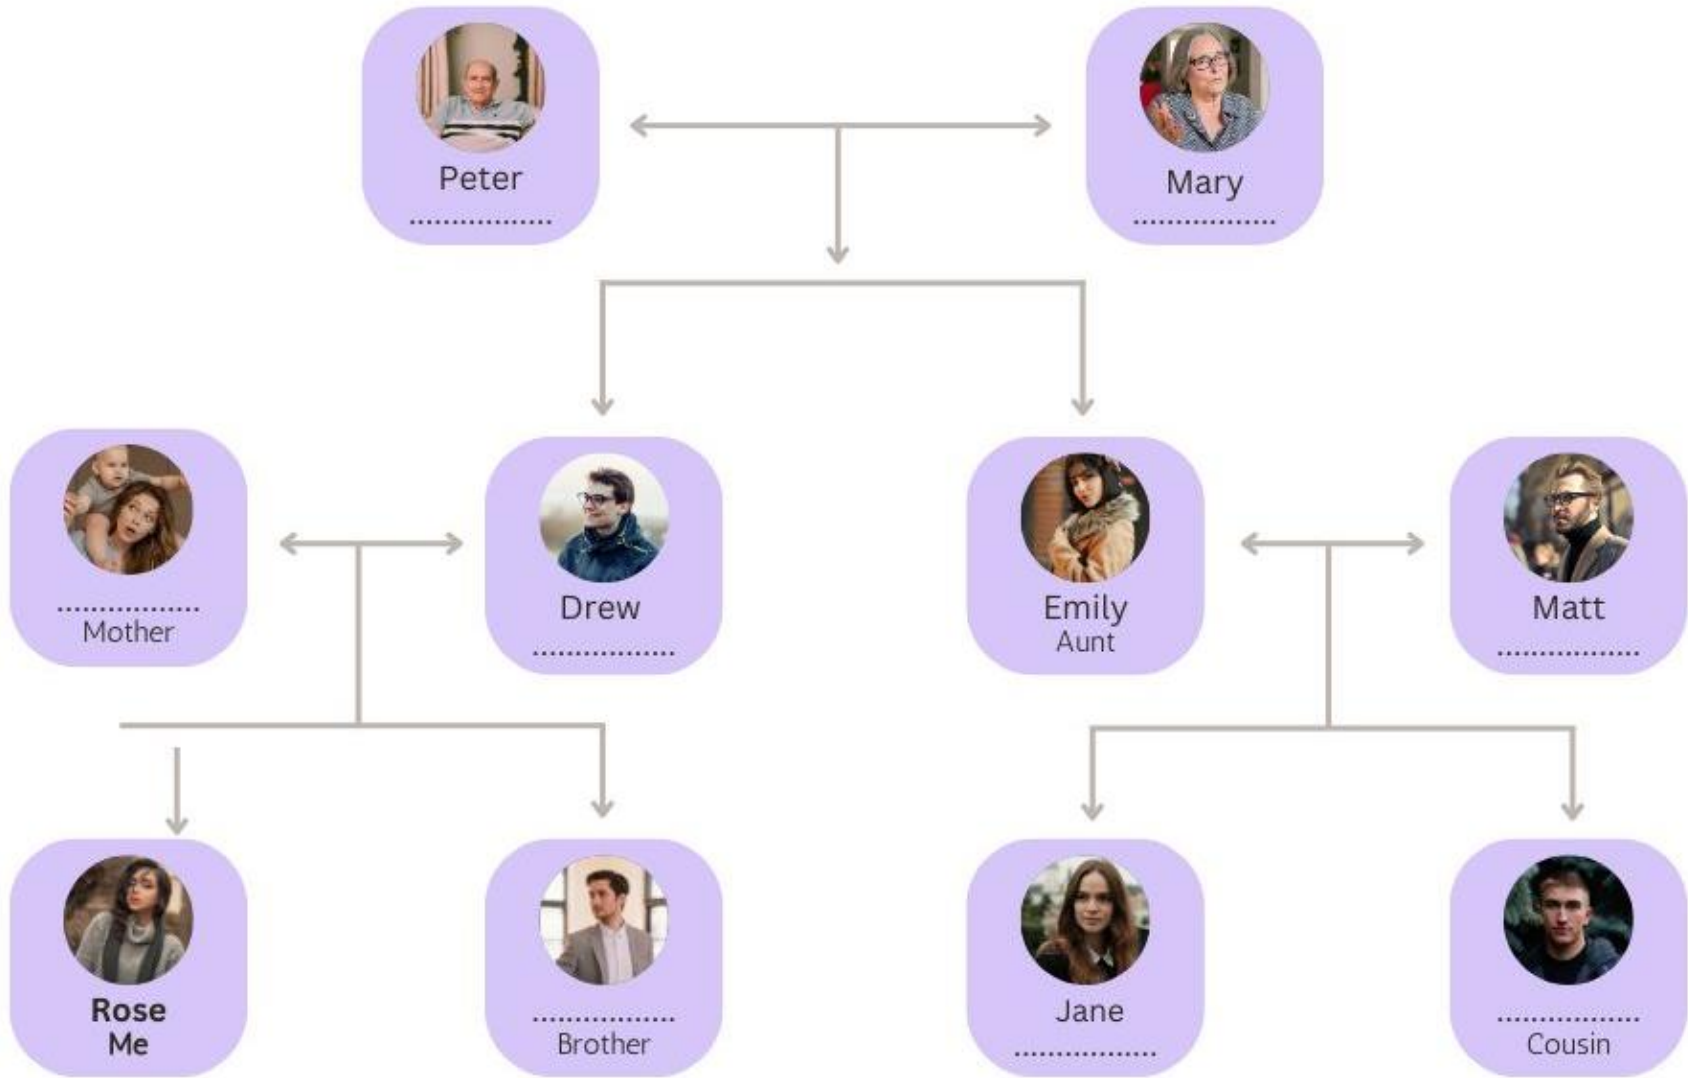

My aunt is my father's sister. Her name is Emily. She loves to paint. I love going to my aunt's house to paint with her. She dislikes cold weather, and she hates being late. My uncle Matt loves technology and works in IT. He loves playing handball.

I also have two cousins, Jane and Teddy. Jane is very friendly and loves animals. She likes going to the zoo. She dislikes playing the piano, and she hates getting up early. Teddy loves playing video games and basketball. He dislikes cleaning his bedroom, and he hates eating broccoli!

That's my family! I love them all very much. Do you have a big family too?
